### Speakers

#### GARDEN STUDY CENTER

**SATURDAY | 10:00AM - 1:00PM**

#### TOUR OF NEW ORLEANS BOTANICAL GARDEN

Take a historical virtual tour of the New Orleans Botanical Garden through six presentations given by Louisiana Master Gardeners. Learn what lead to certain garden sections' existence and the plants that are there today. Presentations are approximately 20 minutes with Q&A – come and go as you please.

**SUNDAY | 11:00AM - 12:00PM**

#### PLANTS FOR EVERY PLACE: SITE-SPECIFIC SPECIES SELECTION

Do you have a shady area or a wet area or just interested in finding a plant that will grow where you plant it? Dr. Damon Abdi, LSU AgCenter State Specialist at the Hammond Research Station, tells us great plants for every location in your landscape.

**SUNDAY | 12:00PM - 1:00PM**

#### MAKE YOUR LANDSCAPE DAZZLE

What are some low-maintenance high-beauty plants that will make your landscape dazzle? Come to this presentation with Dr. Joe W. Willis, LSU AgCenter Agent, to find out.

**SUNDAY | 1:00PM - 2:00PM**

#### GROWING BLUEBERRIES IN THE GNO AREA

Blueberries need low soil pH and love well-drained soils.

How can you successfully grow blueberries in an area where the soil is not ideal? Come to this presentation with Dr. Joe W. Willis, LSU AgCenter Agent, for a crash course in successful blueberry growing.
